Maribeth,

Thank you for this approval. As I mentioned previously I would like to arrange a call with EPA at their convenience to discuss their thoughts and comments on these proposed procedures.

Nancy,

Please let me know when you think we may be able to have this discussion?

Cheers,

Hi Dan,

We have reviewed the draft proposed procedures for determining ALs and AQLs for APP 106360 and don't have any comments. When the you are ready to amend the permit, an "other" amendment will be required.

Thanks,
Maribeth
